

*This GED program is made possible by the collaboration of the following organizations:*

**OUR VISION**

**Transformed communities period.**

We live this out by investing in one life at a time by sharing the hope and love of Christ while meeting immediate needs and providing long-term solutions to empower people to live the life that God has for them. (John 10:10)

**OUR VISION**

**Develop Leaders for the Hispanic Church**

That Hispanic Christians of diverse educational levels can find in Denver Seminary theological educational programs tailored to their needs as well as the opportunity to advance to higher levels of study.

**THE LIBRE INITIATIVE**

**OUR VISION**

**Equip Hispanic Communities**

Our mission is to equip the Hispanic community with the tools they need to be prosperous.

## Schedule

Orientation meeting  
September 15, 6:00 pm.

Block 1:

Sept. 15 - Dec. 15, 2016

This block helps the student to improve their knowledge and skills in language arts. It also helps them develop study habits and computer skills

Block 2:

Jan. 5 - Feb. 23, 2017

This block includes topics such as numerical operations, measurements, and geometry, statistics, and probability, basic algebra, and functions, which are requisites to pass the test in this subject.

Block 3:

Mar. 9 - Apr. 13, 2017

This block is focused on the history of the modern liberties, democracy, how societies change, and an overview on economy and geography.

Block 4:

Apr. 27 - Jun. 1

This unit covers all three main branches of science: the science of life, physical science, and earth and space science.
